

Rutland City Board of School Commissioners
AMMENDED Meeting Minutes

School Board Retreat
May 1, 2018
Rutland High School Library

Attending: M. Olewnik, K. Johnston, C. Seward, A. Notte, D. Courcelle, R. Kurchena, E. Shimp, D. Goldberg, M. Blow, H. Cavacas, J. Pencak

The meeting was called to order at 5:10 p.m.

All commissioners were in attendance.

Commissioner Shimp facilitated the retreat. The three main areas of discussion included:

- Climate and culture
- Superintendent evaluation tool
- PEI goals and evidence

The discussion was lively with many opinions expressed about the role of the board in setting operational goals arising from the PEI effort, and job expectations of the new superintendent. A follow-up to the retreat will likely be needed, as not all work was completed.

Commissioner Shimp is preparing a summary of the retreat work which will be shared with the board at its next regular meeting.

Motion to adjourn by Kurchena and seconded by Notte.

The meeting adjourned at 8:20 p.m.
